WINNIPEG CHAMBER AND REAL ESTATE BOARD TO HOST MAYORAL FORUM

September 26, 2006– The four candidates vying to be Mayor of Winnipeg have been invited to take part in a Winnipeg Chamber of Commerce/Winnipeg Real Estate Board Mayoral Forum sponsored by the Manitoba Heavy Construction Association less than two weeks before Winnipeggers go to the polls.

“This Forum will give the candidates an opportunity to outline their vision for the City of Winnipeg and how they intend to achieve it,” said Winnipeg Chamber of Commerce President & CEO Dave Angus. “It will also give voters valuable insight into where each candidate stands on important issues like taxation, spending, infrastructure, housing development and downtown Winnipeg.”

“The Winnipeg Real Estate Board is committed to a city that can attract and retain investment,” said WREB President Walter Boni. “We will therefore be looking for mayoral candidate positions on important issues that will create conditions for job creation and a more favourable tax environment.”
